

VAST Visual Artist Studio Tour Sponsorship Form

2008 Tour Dates: September 20-21 & 27-28

The goal of **VAST** Studio Tour is to raise awareness of the arts and quality of our local artists in the mid-Willamette Valley area, including Salem, Keizer, Independence, Monmouth, Dallas and Rickreall by providing a venue to show their work to the public. Talented local artists and artisans invite the public into their workplaces to meet with the public and demonstrate how their art is created in this self-guided tour.
